

The 2017
John Russell Pope Awards
INSTITUTE OF CLASSICAL ARCHITECTURE & ART

All of us at Patrick Sutton are proud to receive the John Russell Pope Award for Interior Design from the Institute of Classical Art and Architecture for a recent project in Historic Georgetown. We congratulate our fellow recipients and express great gratitude to the Institute for the honor.

We recognize that the success of projects like this can only come from fruitful collaboration with a team of architects, owners and building professionals who share a commitment to excellence and a strength of vision and we are proud to count them as our partners.

A sincere thank you for all that you do to make us better.
